ACTIVE LANGUAGE SCHOOL

East of Brussels. ALS provides all European languages + Chinese, Arabic courses for adults at school, at the office or at home and offers a Junior Club and remedial classes for teenagers from International Schools.

Proven and efficient learning method focusing on active conversation, courses prepare for using a language in daily social life situations and / or business with progressive grammar, a specific method, audio and video.

In a serious yet family-like atmosphere, ALS provides an education in which native experienced teachers fully invest themselves with commitment and passion.

Comfortable environment for studying the language of your choice. Small groups.

Discount for students and « au pairs ».
